Nailers Events & Conference Centre, Christchurch Meadows, Bridge Street, Belper, Derby DE56 1BA (Ample parking available)

This year we were pleased to publish our carers report, "Understanding the quality of life for carers in Derbyshire", and it is this report that has formed the theme for our annual event.

We will feature an overview of the report, along with guest speakers talking about their experiences of being a carer, and also professional speakers discussing their work with carers.

If you are a carer and would like to join us at this event, please complete the registration form below.

There will be stalls to browse at intervals throughout the day. A light lunch will be served, following which the AGM will commence. During the AGM, participants will have the opportunity to input their top three priority areas to improve health and social care services across Derbyshire.

Please note, places are restricted and will be reserved on a first-come, first-served basis.

A draft agenda can be found on the reverse of this flyer.
