

TOGETHER WE CAN SUPPORT UNPAID CARERS

Derbyshire Carers Association (DCA) support carers who look after a family member, partner or friend who needs help because of their illness, frailty, disability, mental ill health or an addiction and cannot cope without their support.

For DCA, corporate support is key to our continued success, ensuring carers are identified and supported across Derbyshire.

Choosing DCA as your charity partner will help you and your employees feel more connected to the local area and give employees a sense of purpose and pride in their work.

In return, DCA will display/promote your business via our social media channels, website, local advertising and live events thus improving your brand image and increasing awareness.

Corporate Support Options:

There are so many different ways your business can support our charity, this can be as much or as little time available from yourselves. From hosting/sponsoring an event, gifts in kind, donations for raffles and activities - to match-funding members of your team on their fundraising journey.

DCA will tailor a unique and flexible support package with your business, ensuring that it aligns with your values and is mutually beneficial.

If you are interested in supporting Derbyshire Carers Association in any capacity, please contact
