

Fundraising for our Young Carers services can really make a difference!

Using funds from fundraising and donations in 2024 from:

- Cllr Paul Lobley- Mayor of Amber Valley Charity of the Year
- Darley Dale Primary School and South Darley Primary Schools- Skipathons
- Ollie walks 100 miles for DCA
- Royal Mail match- funding
- Sean Cable- Chesvegas to Skegvegas 100 miles sponsored run

Derbyshire Young Carers have been able to recruit and fund a staff member for 12 months.

The initiative of the Waiting Well Carer Support Worker came about by the increase in referrals our service has received. The role will offer support to families via triage, assessments and continuous support whilst waiting for the Young Carer Assessment to be completed and the case being allocated to our team of support workers. Currently our highest wait is in the south of the county so the focus will be in this area initially.

Skipathons are events where pupils are sponsored to skip as many times as they can. In return, we give schools skipping ropes, donated by Titan Trust.

You may have your own ideas of how your school could raise awareness and funds for our Young Carers across Derbyshire and Nottinghamshire. Some ideas are..

- Bake sales
- Sponsored silence
- Non uniform days
- Pie the teacher

Joanne Askew is our Fundraiser and if you would like to discuss any ideas, her email is:
