

What is Scrumpers Gardening Club?

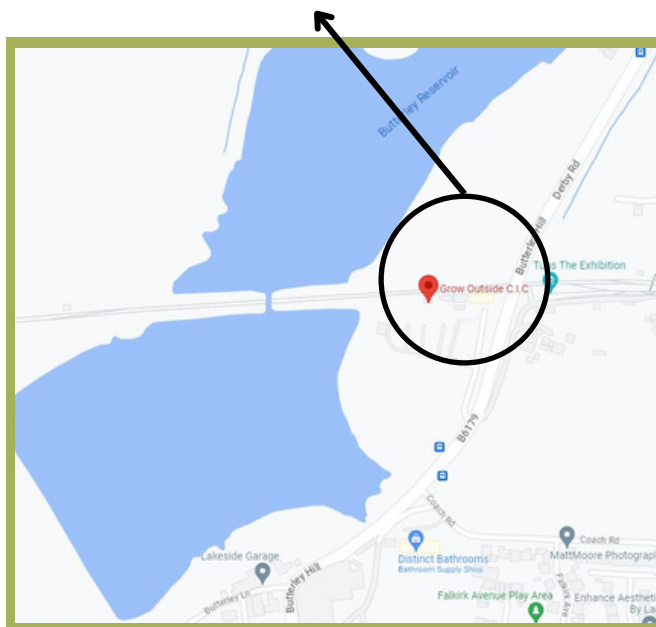

This group is an accessible gardening group for people with mild cognitive impairments or dementia and if required, their carers.

Unfortunately, we cannot help with mobilising, so attendees will need to mobilise independently or with assistance from carers.

The ground is level woodchip, and the accessible toilets are a 300m walk from the garden.

Scrumpers Gardening Club

A Dementia Friendly Group

What will we be doing?

This group is based on tending to the garden and planting; however, activities can be graded so that we can accommodate any preferences. The aim of this group is to enjoy yourselves.

There is opportunity for teas and coffee which are available at 80p each. This money is then reinvested into Grow Outside's activities.

When will we be running?

Dates and Times:

Thursday, 22nd June 2023
10 am - 11:30 am

Thursday, 29th June 2023
10 am - 11:30 am

Price:

£3.50 per participant
£1.50 per accompanying person.

Other Information

This group will run for two sessions as a trial to prove the benefits so we can potentially run this group in the future.

If you are concerned about attending the group or need assistance with the online referral form please contact Rosie on - 07769935202.
