TRANSITION POINTS
EVERY TRANSITION MATTERS

Why It Matters

Unpaid carers/informal carers are the backbone of our communities.

We all experience change. Transition Points is here to help navigate the journey with support and guidance.

What to Expect

Introduction to a new approach in personal and professional development

Insights into our bespoke coaching, workshops, and resources

Support navigating life's pivotal moments

Networking opportunities

"Unpaid carers often face transitions that go unseen and unsupported, we are here to change that."

Dr Joseph Kappia
Co Founder

Who It's For

Supporting someone, working with unpaid carers, or helping people through career change? This event is for you.

"I was exhausted trying to juggle work and caring for my mum. Transition Points gave me the breathing space, clarity, and practical career support I needed to move forward."

Sarah Thompson
Unpaid Carer
