Do you have lived experience of **learning disabilities or are you autistic**?

Do you **care for** someone with learning disabilities or an autistic person?

If so, we would like to hear from you.

We want to improve the care and support available for people with learning disabilities and autistic people and their families.

We want to hear from people who have used, or have opinions/thoughts they want to share about:

1. **Crisis/unplanned care** – the support and services a person or family might use when they feel unsafe or unwell and need immediate help, such as A&E.
2. **Community living** – services that help people live in the community, such as supported living or residential services.
3. **Inpatient settings** – where you would stay for health care and treatment, such as an adult mental health ward.

Your feedback will help us improve our services and ensure we are meeting the needs of the people using them.

All contributions will be anonymised and included in a final report with recommendations for development of the services. It will be shared with the people who lead local Health and Social Care and will be made publicly available.

When & where – please only attend one workshop:

- THURSDAY 22nd September, The Post Mill Centre, off Market St, South Normanton, Alfreton DE55 2EJ
- TUESDAY 27th September, The Quad, Market Place, Cathedral Quarter Derby, DE1 3AS

Time: 10am – 3:30pm

Lunch and refreshments will be provided.

Please note, there are limited spaces because of room size.

How to book your space:

Email both Helen Sillandy and Tiffany Webster h.sillandy@nhs.net tiffany.webster1@nhs.net to confirm your place.

They will then send you an attendee pack. This contains information about how we will:

- pay you for your time taking part in the workshop
- pay for your travel

Thank you for taking part.
