

Young Carers Festival – Lockdown challenges

Sadly, we are unable to run the Young Carers Festival this year, but we wanted to bring some of the elements of the festival to you and your projects. These challenges will be tweeted daily in the run up to what would have been YCF weekend.

Here are the challenges for the whole week in case you want to use them in your project activities.

If young people take part, please share them with us, with consent via @childsocinclude or emailing include.programme@childrenssociety.org.uk

All entries will be part of our YCF lockdown special competition and young people could win a One4All voucher.

Entries must be submitted by Monday 29th June 5pm.

Don't forget to keep an eye on @childsocinclude on twitter and @thechildrenssociety on Instagram all week and especially on Saturday 27th June for a little video special!

Thank You
