Required accounts

How the charity is paid

Give at Checkout
eBay users add a small donation to a designated charity when they purchase an item

Donate Now
eBay users make a one-off donation in any amount via a charity's eBay profile

Community Sales
eBay users donate 10-100% of their sales to a designated charity

Direct Sales
Charities sell their own merchandise or donated goods on eBay

PayPal Giving Fund

PayPal Giving Fund
eBay™ **PayPal**

Donors pay their donations to PayPal Giving Fund.

PayPal Giving Fund amalgamates all of the charity's donations and makes a single monthly payment via BACS transfer.

PayPal Giving Fund submits a Gift Aid claim for eligible donations and forwards the funds to the charity in the next monthly payment.

eBay buyers pay the seller; the seller distributes the funds to the charity directly. Charities must submit their own Gift Aid claim where relevant.
